**Anyone age 5 and older may now schedule a COVID-19 vaccination
appointment.**

Booster doses are recommended for anyone 12 or older who received the second Pfizer doses at least **five** months ago, and anyone 18 and older who received the Moderna doses at least **five** months ago or who got the single dose Johnson & Johnson COVID-19 vaccine two or more months ago. Eligible individuals may choose which vaccine they receive as a booster dose. Some people may have a preference for the vaccine type that they originally received and others may prefer to get a different booster. CDC's recommendations now allow for this type of mix-and-match dosing for booster shots
