

FULTON COUNTY DRAINAGE BOARD MEETING
FOR OCTOBER 9TH 2023

The Fulton County Drainage Board met on Monday OCTOBER, 9th 2023 in the Conference Room of the Fulton County Office Building at 9:00 A.M. The Following were in attendance: President Dave Sommers, Vice Chairman Rick Ranstead, Commissioner Bryan Lewis, Surveyor Seth White, Attorney Hollie -Pifer Shorter, drainage secretary Lacey Holloway. Public Attendance: Michelle Bangel, and Cindy Gudas.

PLEDGE OF ALLEGIANCE

RE: DRAINAGE PLAN – 2311 POET’S DRIVE ROCHESTER, IN 46975

Seth had previously gotten verbal approvals from commissioner’s Rick Ranstead and Dave Sommers. Landowner will be putting underground storage for drainage plan. Motion was made and approved to pass this drainage plan. Passes 3-0.

RE: NIPSCO DRAINAGE PLAN- EASEMENT LOCATED @ 250 S 700 W (ALONG MILL CREEK) AND 125 E 600 S (ALONG MUD CREEK)

Nipsco is going to be doing some pipe work and the only part going to be affecting us is Mud Creek. Right now, on the East side of State Road 25 it is flat so they can not be taking much from that. Seth just wanted to bring this to commissioners’ attention before they started this project. Seth just needs a verbal approval so when it comes time for Seth to approve it then he can without having to call commissioners. Motion was made to approve Nipsco’s Drainage plan motion passed 3-0.

RE: RESOLUTION 100923DB- JOINT DRAINAGE BOARD WITH KOSCIUSKO COUNTY

Fulton County is meeting with joint board in November and Fulton County needs to have two drainage board members attend this meeting. The resolution is to be able to pay the joint drainage board members from the other counties \$120.00 per member. Motion was made to approve resolution motion passed 3-0.

RE: #803 JOHN BAKER DITCH @ \$5.00/ACRE @ 9:15 A.M. OCTOBER 9TH 2023

Hearing called to order by Dave Sommers. Maintenance fees are going to stay the same. The ditch is already set up on maintenance Surveyor’s office is just adding on the unknown ditch. Its all low ground where this is located. It was petitioned to add the unknown ditch to maintenance and then the private ditch that was made that connects to the John Baker. All of these ditches are already in the same watershed so no assessments or money collected for this drain account will change. There were no written or verbal objections. Motion was made to add these two ditches onto the #803 John Baker Ditch, motion was passed 3-0.
